This Bachelor of Applied Science degree is designed to provide a flexible approach to specifically serve the needs of students who have earned Associate of Applied Science or Associate of Science degrees. Pre-requisite to program entrance: successful completion of an A.A.S. or A.S. program from an accredited institution. This degree will transfer as a block of credits toward the required 120 semester credits. Students will then complete a "capstone" type program in Business Administration to earn their Bachelor's degree.

The Program includes 36 credits of general education, 24 credits of business administration core and 16 credits of supporting coursework. A total of no less than 120 semester credits is required for graduation.
