This Bachelor of Science degree is designed to provide students with the education necessary for success in business. In addition to other institutional and graduation requirements, majors complete a 50-semester credit business core, and two specializations or a minor. Elective courses will be chosen to ensure students earn a total of no less than 120 semester credits. Program requirements include an internship experience that provides students with the opportunity to work in a field related to their major and earn credit for this work experience.

ESSENTIAL STUDIES: 36 semester credits required, including those listed as program prerequisites here.
