

# DUAL CREDIT SCHOLARSHIP

**Turn your dual credit investment into a down payment on your future at Mayville State!**

## FOR EXAMPLE ...

Let's say you took English 110, English 120, and Math 103 from Mayville State as a dual credit student while in high school. The tuition cost was \$400\* per class, or a total of \$1,200\*. You passed all the classes with at least a 2.5 cumulative GPA.

If you enroll at Mayville State University in your freshman year of college, you would get the \$1,200\* you spent in dual credit tuition back in the form of a scholarship. The \$1,200\* would be distributed equally over two semesters, in the fall and the spring.

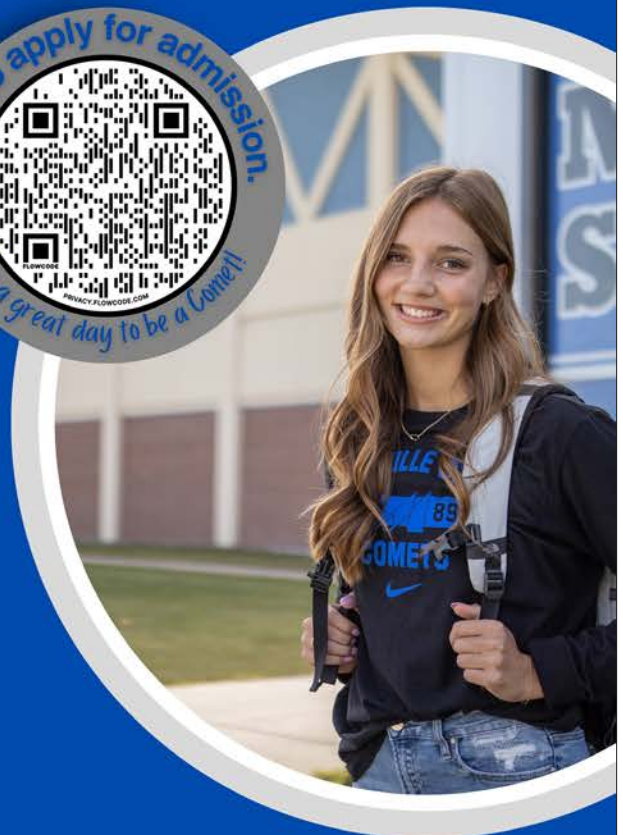

\*Numbers are used for example only. Actual dual credit tuition may vary.
