# M.S. IN LEADERSHIP

**Make MSU part of your Leadership Journey, if you're looking for ...**

### **Personal Leadership Development**

Reflect on and enhance your leadership strengths, creating a personalized development plan for long-term professional growth.

### **Change Management**

Create and implement strategies for managing organizational change, addressing resistance, and ensuring sustainable transformation.

### **Effective Communication**

Develop advanced communication skills, learn to articulate vision, influence diverse stakeholders, and foster collaboration in professional settings particularly in technology heavy environments, enhancing engagement and effective interaction.

### **Human-Centric Leadership**

Apply leadership approaches that prioritize human relationships, leveraging soft skills to inspire and motivate teams in organizations to foster collaboration, enhance team performance, and drive positive organizational change.
