International Student Information and Fact Sheet

Personal Service

We pride ourselves on being just the right size to give students the time they need to be successful. Our average class size is 15, so you will have small, personalized class settings with a technological focus for you to receive the education that you deserve. Your professors will introduce you to new ways of thinking, explore issues creatively, and evaluate ideas as you engage in the world.

Leadership Opportunities

Whether it's music, athletics, or politics, students at MSU have the chance to participate in a variety of activities and clubs. These organizations are a great way to make new friends with similar interests, and the involvement outside the classroom looks great on a resumé.

Some clubs and activities include:

- Collegiate DECA
- Band, choir & theater
- Computer Technology Club
- Science Club
- Multicultural Club
- Student government
- Collegiate Sports - Men's: Football, Basketball, Baseball
Women's: Volleyball, Basketball, Softball

Value

The combination of MSU's affordability and its unique offerings make it a Best in the Midwest College, as designated by the Princeton Review. This selection process is based on meeting criteria for academic excellence as well as results of surveys done by current MSU students.

Why Choose Mayville State?

Living and studying far from home is comfortable and **safe** at Mayville State University. You'll find new friends easily among the 1,000 students on our small campus, and you'll enjoy personal attention from professors with our **13:1 student-faculty ratio**. Our small-campus environment will also help you improve your English skills as you ask questions in class, prepare papers and projects, and talk with your friends and classmates in the residence hall, during study sessions, and at campus events.

True personal attention and a **safe** environment for each student is our mission. We'll even pick you up at the airport when you arrive!

A Great Value in Higher Education

Your education is an important investment for you and your family. You will find that MSU's tuition and housing costs are lower than those of many other American universities, and we also offer scholarships for international students. Please complete your application by April 1 for priority admission and scholarship consideration for the fall semester.

"The tuition scholarships available to international students were appealing to me as they made my college career more affordable."

—Sarah Gandari, originally from Zimbabwe and current social sciences major at MSU

You Will Succeed

We'll get you started on your career path with internship opportunities that give you real, hands-on learning experiences while you study; these experiences will make you more marketable after graduation. You can also take on leadership challenges in campus organizations. Sure, extracurricular involvement is fun—but it also helps develop skills you'll need for your career.

"I have been given the opportunity to become a leader through the DECA national competition, Student Senate, Student Ambassadors, Peer Leaders, and other clubs here on campus. Mayville State has offered me many opportunities to excel and develop a strong foundation for my career in business."

—Nisa Rajput, originally from Zimbabwe and business administration major at MSU.

Getting to Mayville State University

The community of Mayville, home to MSU, is located in the beautiful Red River Valley in the state of North Dakota. Our location makes it possible for students to travel easily to the larger cities of Grand Forks (40 minutes away) and Fargo (60 minutes away)—both of which have international airports for arrivals and departures. You'll find that Mayville and the neighboring community of Portland offer country living with all of the advantages of an urban community.

"I chose Mayville State University because it is a small campus that helps international students adjust well and feel more comfortable. Learning in classes with a few students has helped me be more involved with class activities and has helped me understand the work better."

—Niralee Ranchod, originally from Zimbabwe and current business administration major at MSU
