Dual Credit Scholarship Program

Mayville State Scholarship Opportunity For You!

This is a unique scholarship program that is only available to those students enrolled in Dual Credit high school courses offered through Mayville State.

In order to qualify for the scholarship, students must have completed at least one Mayville State Dual Credit course in high school prior to their full time enrollment at Mayville State as a Freshman in the fall semester after high school graduation. Students will earn scholarships equivalent to the cost of their Dual Credit tuition for their freshman year at Mayville State. The scholarship will not exceed the total amount of \$2000.

For example! Let's say you took English 110, English 120 and Math 103 from Mayville State as dual credit for \$345.00 dollars per class. Let's also say you passed all those classes with at least a 2.5 cumulative GPA. That means if you come to Mayville State University in your freshmen year, you would get that money back as a scholarship divided over your first two semesters at MSU. So for the example below you would get a \$1035.00 dollar dual credit scholarship or all your money back!

Class	Cost	Scholarship
English 110	\$345.00	\$345.00
English 120	\$345.00	\$345.00
Math 103	\$345.00	\$345.00
Total	\$1035.00	\$1035.00

*Numbers used are for example only, actual dual credit tuition may vary
