

## MAYVILLE STATE COMETS BASEBALL AROUND THE HORN CLASSIC

For the 8<sup>th</sup> year the Mayville State Comets Baseball team will host the Around the Horn Classic! This is our major fundraiser for the year and ALL profits go directly to the Mayville State Baseball program. Over the course of the last 8 years we have been able to make huge strides in our program because of the great support from our Comet Family. Your continued support is essential to the continued success of this program. We want to continue this trend by inviting you to participate in this great event.
