Blackboard ALLY

Steps to Increasing your course accessibility

Mayville State University

Delete Unused Content	• This will boost Ally scores with little effort.
Correct Scanned PDFs	• Replace with links • Convert
Use headings and headers	• Document headings • Table & doc headers
Use Descriptive Links	• Describes where the link will take the user
Add Alt Text to Graphics	• Images • Tables • Graphs
Run Accessibility Checkers	• File > Check for issues > Check Accessibility

Increased course accessibility

Accessible "in the green" Syllabi
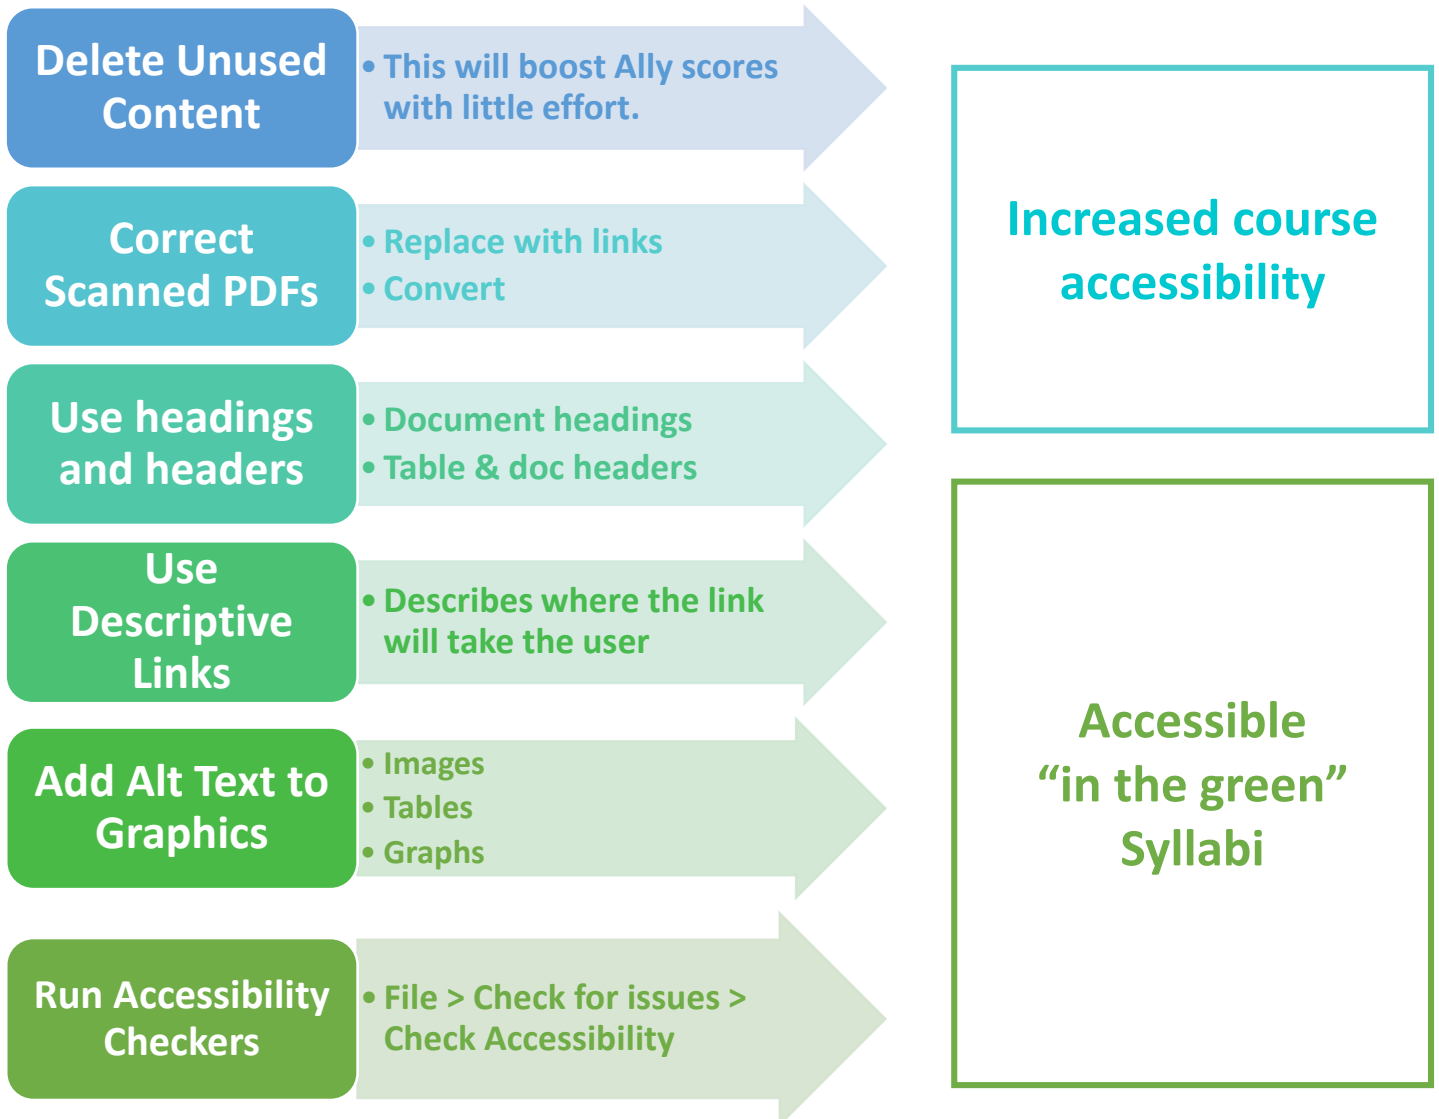

0% - 33%   34% - 66%   67% - 99%   100%

Goal: Increase Accessibility in MSU Courses as evidenced by Bb Ally scores
Summer 2020
