

ONLINE PROGRAM ELIGIBILITY INFORMATION FOR INTERNATIONAL STUDENTS

International students (excluding Canadian students) who meet application requirements (including English language proficiency) are welcome to apply to the following MSU 100% online programs to be completed from the student's home country:

Bachelor's Programs:

Business Administration
Mathematics
University Studies

Associate of Arts Programs:

Business Management

International students are not eligible to enroll in the following MSU online and distance programs due to required field experiences, practicums, internships and student teaching experiences within the United States or Canada.

Associate of Arts Programs:

Early Childhood

Bachelor's Programs:

Elementary Education
Early Childhood Education - BSEd
Early Childhood - BA
Special Education
Mathematics Education
Nursing

Master's Program:

Master of Art in Teaching

International student applicants to online bachelor's and master's degree programs at Mayville State University are not eligible for a student visa.

International students may take online courses that do not have associated teacher education field experiences, practicums, internships or admission to teacher education requirements.

A complete list of MSU online courses can be found at: www.MayvilleState.edu/msu-online.
