

Special Permission to Register Form – Spring 2021

High school administrators may allow students who do not meet the cumulative 3.0 GPA requirement to register for college courses. Special permission can be granted in terms of GPA only. The high school administrator must review the student's academic transcript, discuss with the student their potential for success, and use professional judgment in deciding on permission. **Special permission cannot be granted for students whose cumulative GPA is below 2.75.** Please attach a copy of the student's high school transcript to this form.

Please print clearly or type all information and secure signatures before having your school administrator submit this form.
