

Early Entry Courses: Special Permission to Register
(for courses not specifically scheduled as dual credit courses)

Mayville State University (MaSU) requires the consent of your high school principal or counselor for you to register for courses that we offer. Regardless of acceptance into Mayville State University, your high school principal/counselor may disallow students to register for MaSU college courses. The principal/counselor must review the student's academic transcript (HS GPA of 3.0 minimum is required) and discuss with the student their potential for success as an Early Entry student in college-level courses, according to their professional judgment. Students must meet any required course placement criteria as well as any corequisites or prerequisites for the course in order to enroll as Early Entry (non-dual credit) students.

Tuition Notice: Early Entry students taking non-degree classes that are not designated as dual credit class sections during the term requested will pay the regular MaSU on-campus or online tuition and fees, depending on each course. Tuition and fees are subject to change pending North Dakota legislative action.

Please fill out this form completely. This form and a copy of the student's high school transcript as well as unofficial copies of any college transcript/s showing prerequisites taken must be submitted in addition to the application to Mayville State University.

Student Information

Student Name: _____

Student Date of Birth: _____

High School: _____

Student HS GPA: _____

Course/s Requested

Course 1

Term/Year Requested _____

Prefix and Code (e.g. MATH 103) _____

Course # (e.g. 12345) _____

Course Title _____

Instructor _____

Course 2

Term/Year Requested _____

Prefix and Code (e.g. MATH 103) _____

Course # (e.g. 12345) _____

Course Title _____

Instructor _____

Required Administrator Signature

I confirm this student is academically prepared for the college-level class/es listed above and approve this enrollment.

Final Step

High School Principal/Counselor: Please submit this permission form and your student's transcript* by email or fax to:

Fax: 701-788-4656

ExtendedLearning@mayvillestate.edu

If you have questions, please contact Shay Thorsgard, Administrative Office Coordinator at 701-788-4667.

*If we already have a transcript showing a current GPA of 3.0 or higher on file, we do not need schools to send another.
