

# BLOCK SCREEN SHARING

<p>To perform this task, you must be the host of the meeting.</p> <p>You can check whether you are host by looking for the Participants panel in the Zoom toolbar. If it is labeled, <b>Manage Participants</b> then you are a host.</p> <p>You will find the role listed next to your name in the Participants list</p>	
<p>To block screen sharing on the fly (remember, you must be the host). Click the <b>up arrow</b> next the slide screen button.</p>	
<p>Choose <b>Advanced Sharing Options</b></p>	
<p>Under <b>Who can share?</b> Choose <b>Only Host</b>. Close the window.</p> <p>If someone else is sharing, this will immediately stop the share.</p>
